4. Comprehensive Scope
of Work (SOW) / ‘Y>“ M’ò “â 5“ù8”

4.1 Supply of General
Workshop Maintenance
Consumables

Contractor shall supply standard maintenance workshop consumables including open-ended spanners, ring spanners, socket driver sets, pneumatic impact wrenches, bench vices, torque wrench calibrators, and general bolting tools required for routine maintenance of turbine assembly bays.

4.2 Tool Calibration & Quality
Acceptance

All hand tools supplied under this contract must carry standard manufacturer warranty. Any manual torque wrench included in the lot must be supplied with factory calibration certificates traceable to national standards.

4.3 Delivery & Storage
Packaging Requirements

Tools must be packed in heavy-duty steel toolboxes with foam cutouts. Delivery must be completed at Central Stores BHEL Haridwar within 45 days of GeM contract creation.

5. Technical Specifications & BOQ / 'I '%o@'Y@

The equipment and tools supplied under this contract must conform strictly to the technical parameters specified below. Any deviation will result in immediate rejection during pre-dispatch inspection.

Item #	Description of Tool / Service	Technical Standard / Parameter	Qty
1	Combination Spanner Set (Metric 6-32mm)	Chrome Vanadium Steel, DIN 3113	15
2	1/2 Inch Drive Socket Wrench Set	24 Pieces with quick release ratchet	10
3	Manual Click-Type Torque Wrench	1/2 inch drive, 40-200 Nm range	5
4	Heavy Duty General Bolting Tools	Adjustable wrenches & pliers set	12
5	Pneumatic Impact Driver 3/4 Inch	Working pressure 6.2 Bar, 1200 Nm	4
6	Steel Tool Chest with Drawers	Powder coated 7-drawer mobile cabinet	2

6. Buyer Added Bid Specific Terms & Conditions / 'YM" G'I> 'Y@ "Y?"iG

1. Inspection & Testing: Pre-dispatch inspection (PDI) shall be conducted by Buyer's authorized third-party inspection agency (TUV / DNV / Lloyd's Register) at OEM works.

2. Calibration Certificates: All calibration must be conducted using NABL accredited master instruments with valid calibration certificates valid for 12 months from delivery date.

3. On-Site Support & Training: Successful bidder must depute qualified service engineers for on-site commissioning, tool operation training, and maintenance demonstration for minimum 5 working days.

4. Guarantee / Warranty: The seller shall provide comprehensive 36-month replacement warranty against manufacturing defects, material failure, or performance degradation under full rated load.

5. Liquidated Damages (LD): If the seller fails to deliver tools or services within specified schedule, LD at 0.5% per week up to a maximum of 10% of total contract value will be deducted.

6. Safety & Statutory Compliance: All field technicians deputed for turnaround services or plant shutdown work must possess valid Plant Safety Cards, PPE kits, and medical fitness certificates.

7. Force Majeure: Standard GeM SLA terms regarding natural disasters, strikes, or government restrictions shall govern contract extensions.

8. Payment Terms: 80% payment upon receipt and physical verification of tools at site; remaining 20% against submission of Performance Bank

Guarantee (ePBG).

7. Annexure I — Technical Compliance & Self Declaration Undertaking

To,
The Superintending Engineer
(Procurement & Contracts),
Bharat Heavy Electricals Limited
(BHEL), Heavy Electrical Equipment
Plant Haridwar

Sub: Technical Compliance &
Undertaking for GeM Bid No:
GEM/2026/B/9601142

Dear Sir,

We hereby declare that we have
carefully read and understood all
technical specifications, scope of
work, and buyer terms contained in
the GeM Bid document. We confirm
full compliance without any
commercial or technical deviations.

We confirm that all equipment
supplied (including hydraulic tools,
tensioners, multipliers, and joint
integrity testing units) will be 100%
genuine, brand new, and supported by
OEM test certificates.

We further declare that our firm has
not been blacklisted or debarred by
any Central / State Government
department or PSU as on bid
submission date.

Thanking you,

Yours faithfully,
